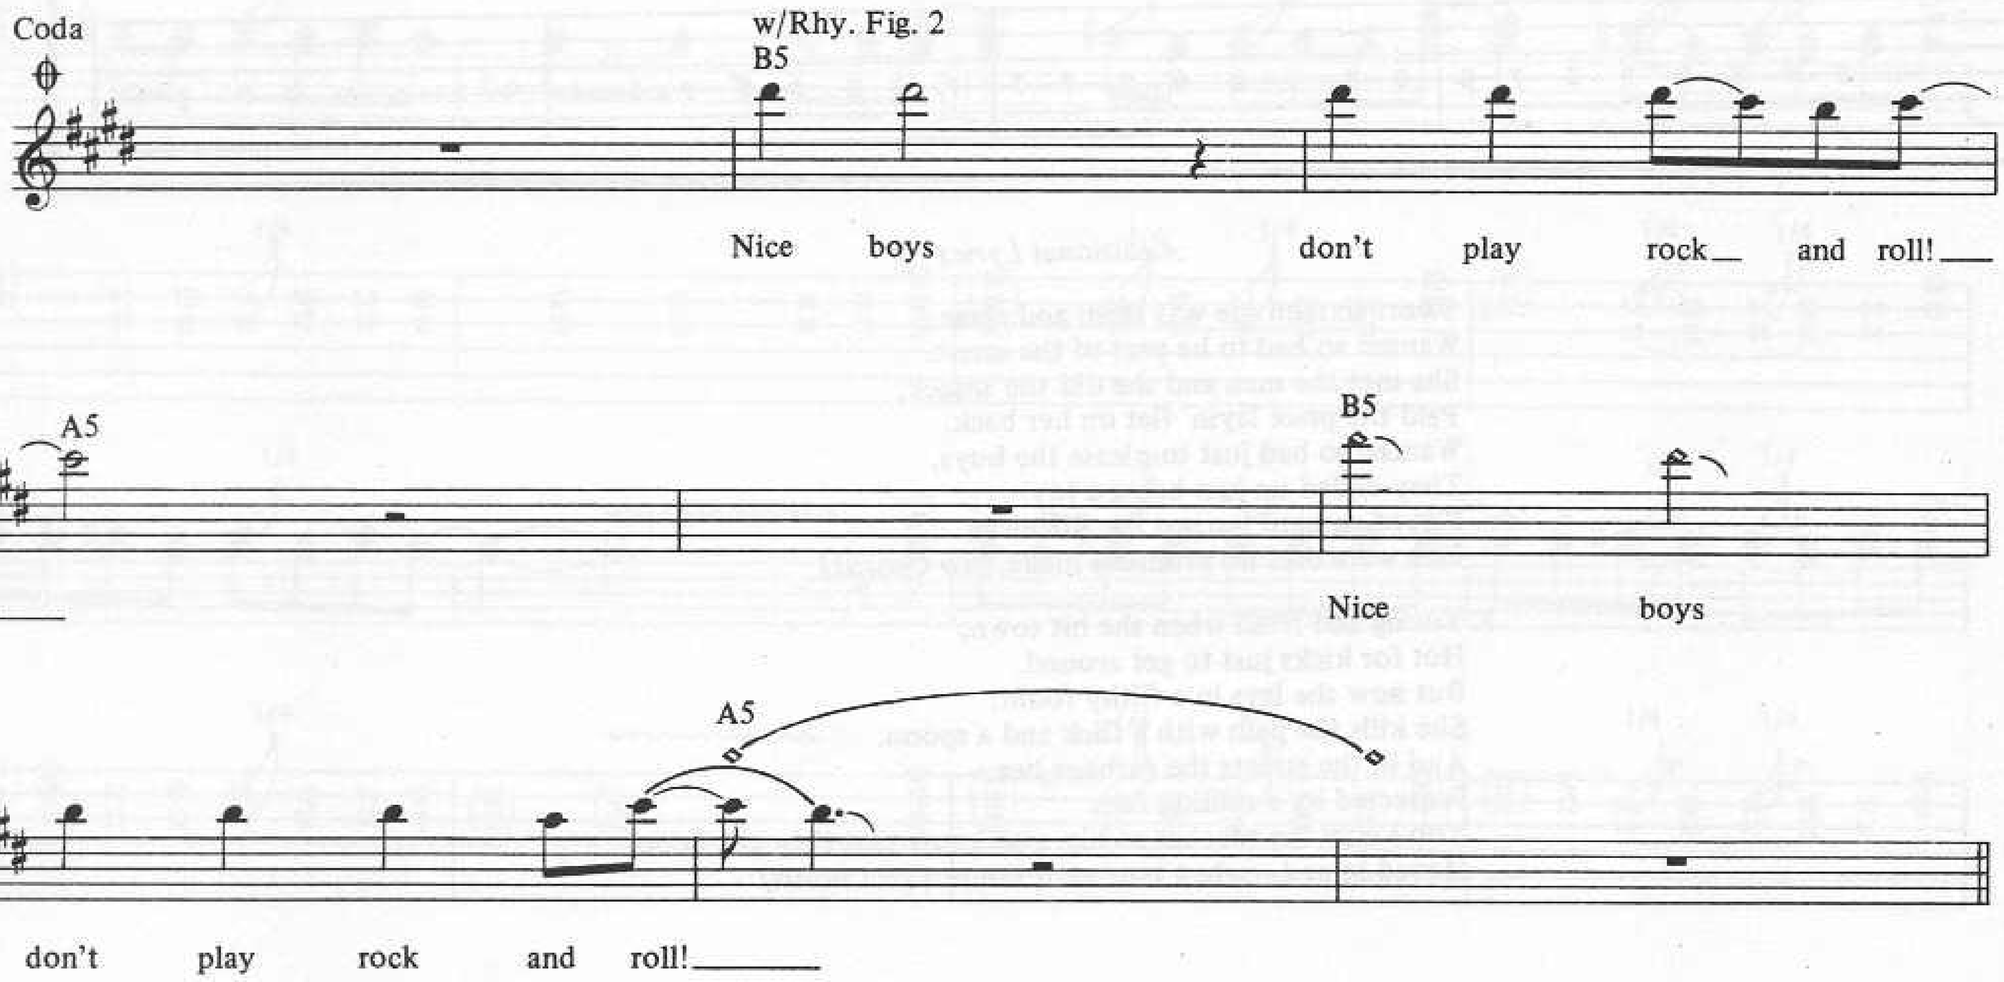
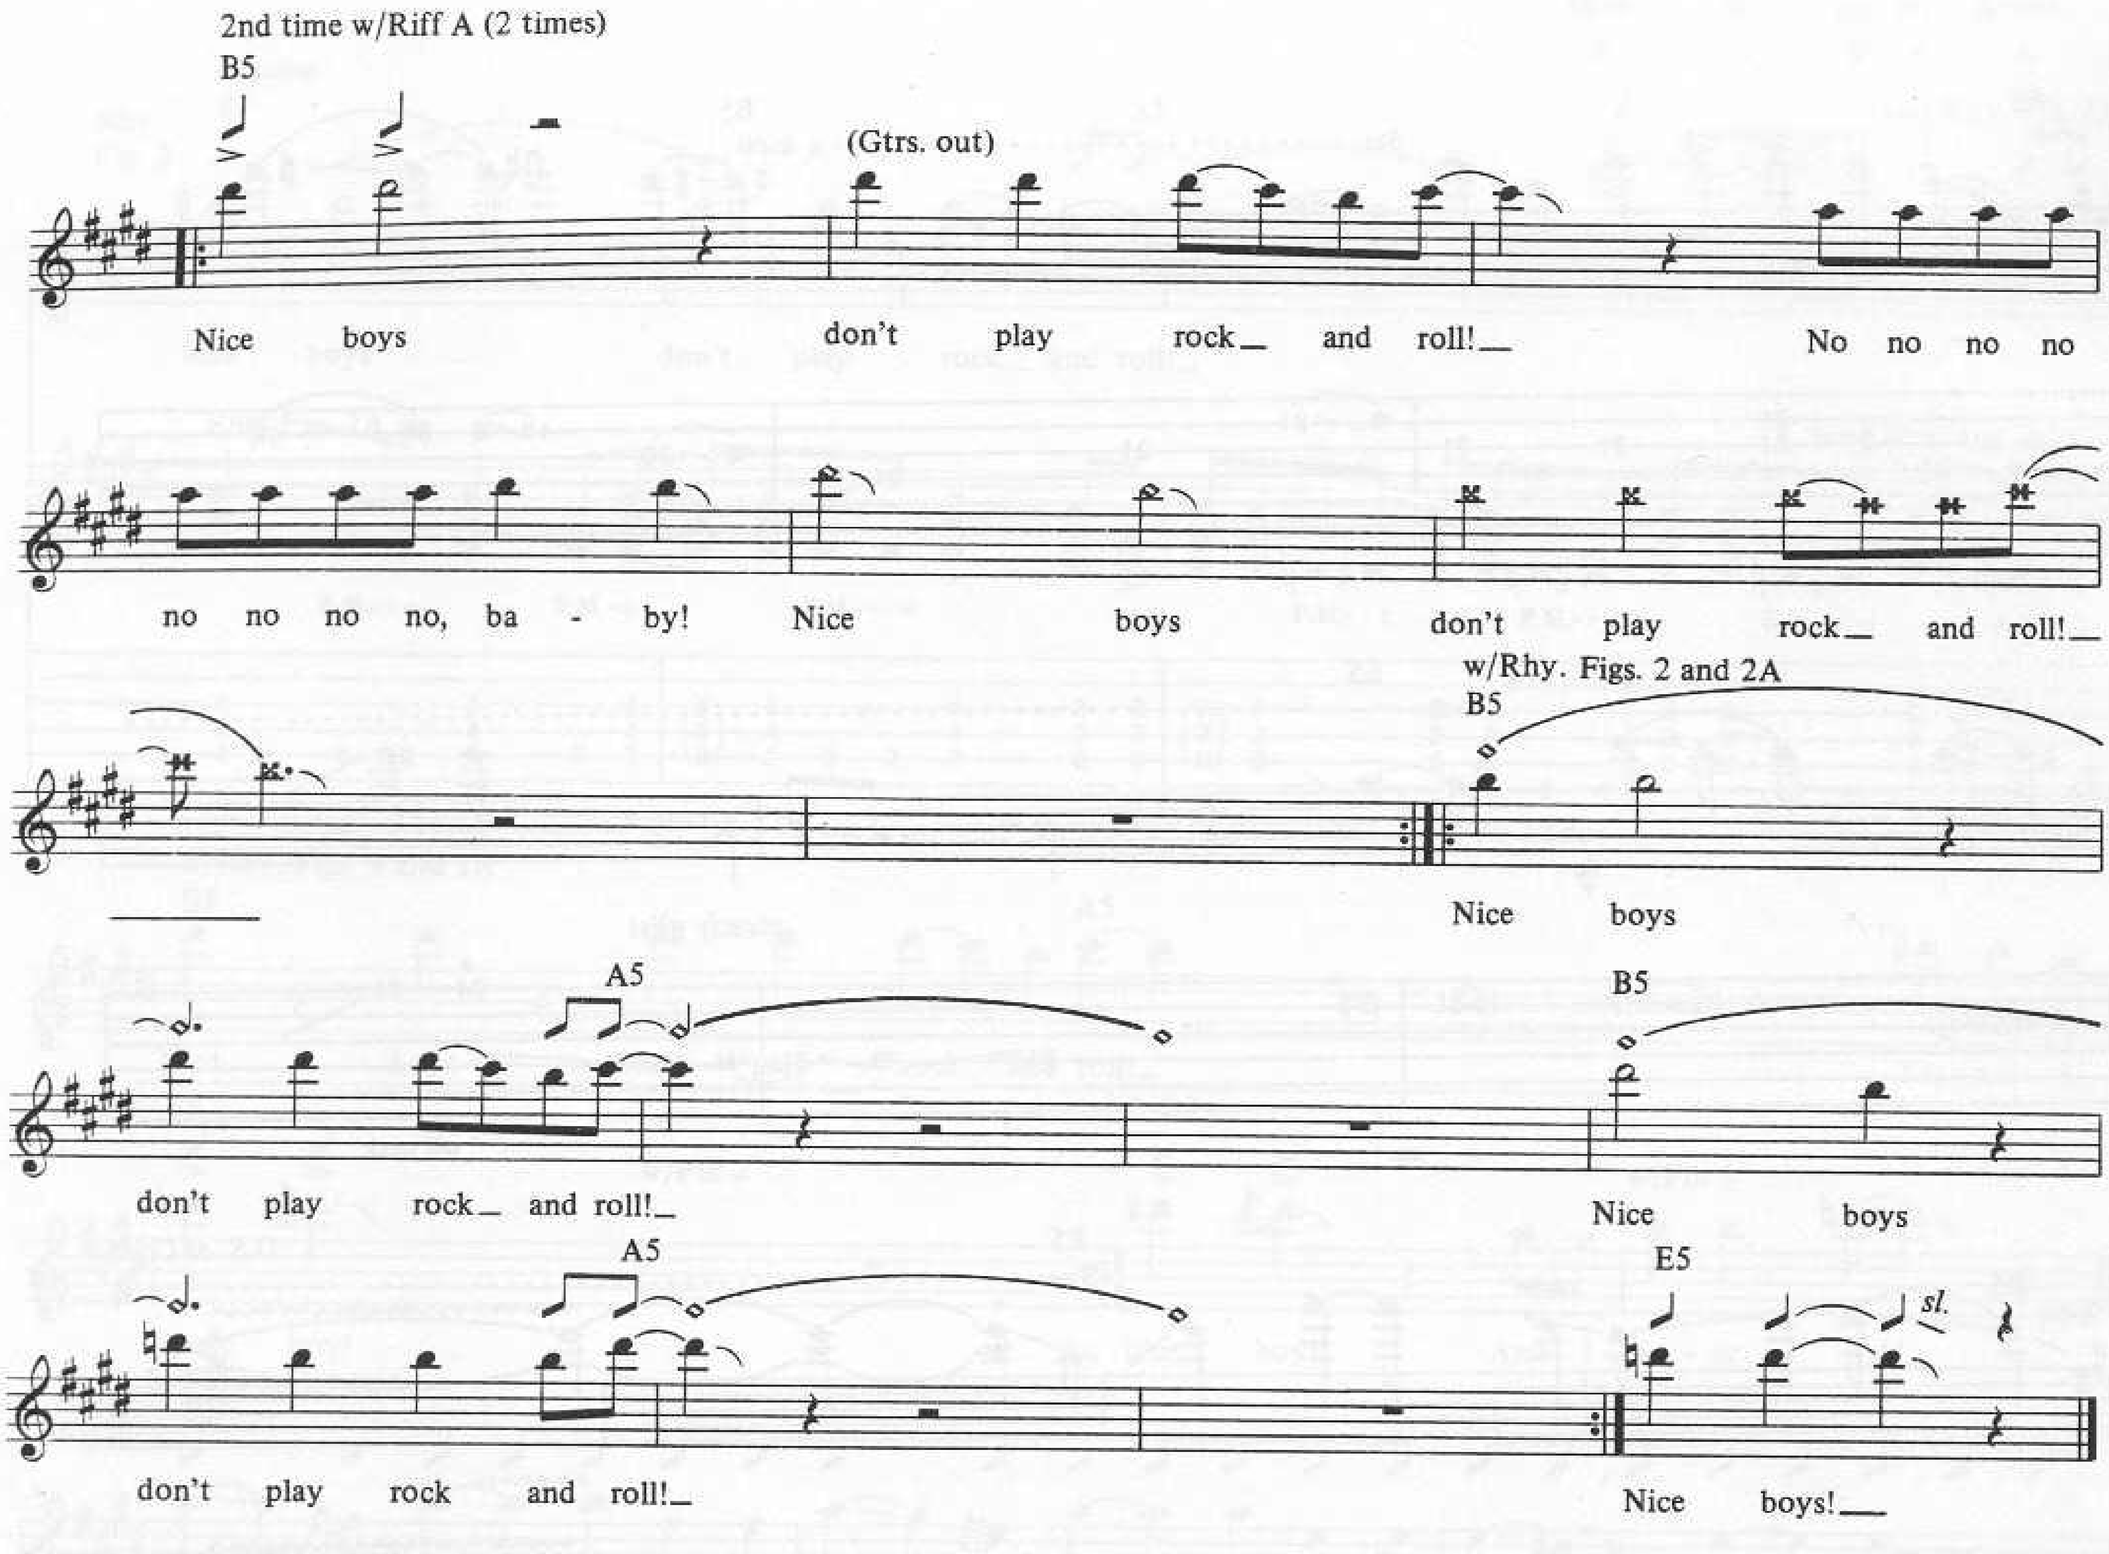
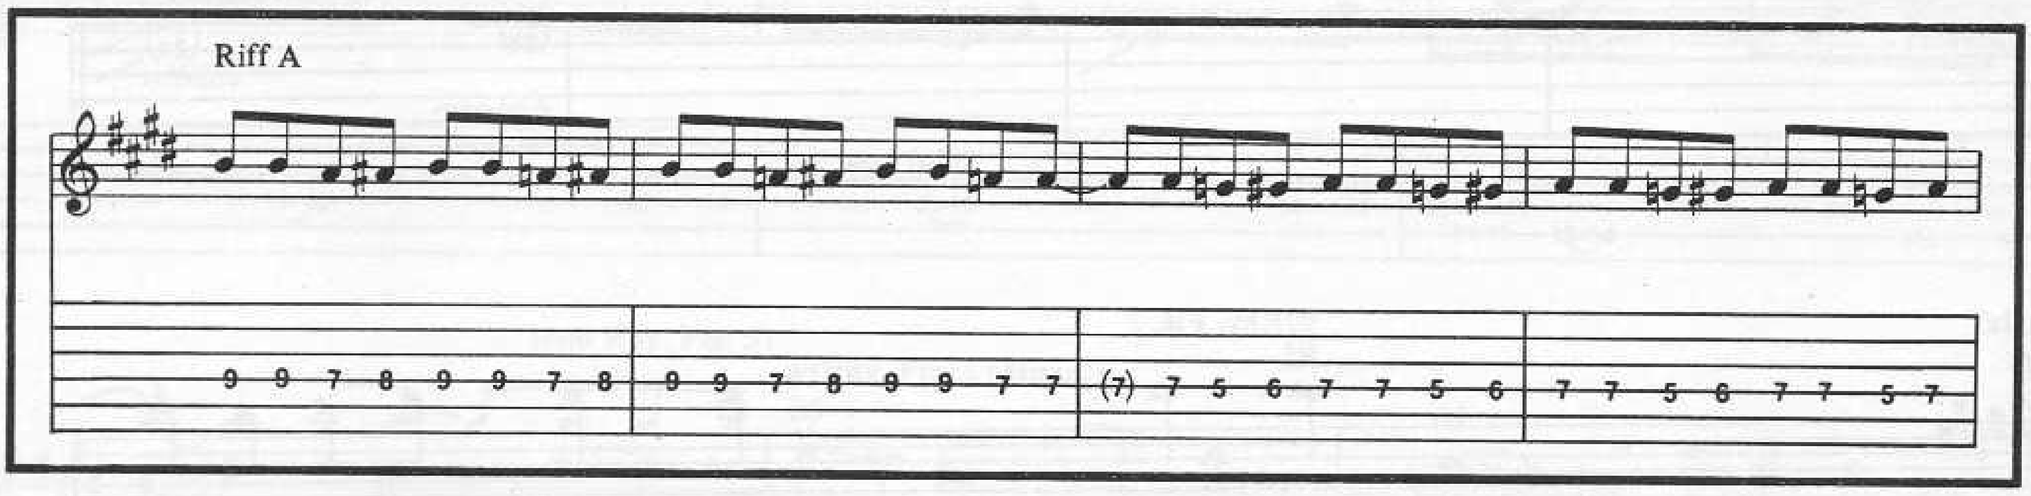
MOVE TO THE CITY







Additional Lyrics

2. Sweet sixteen she was fresh and clean;
Wanted so bad to be part of the scene.
She met the man and she did the smack,
Paid the price layin' flat on her back.
Wanted so bad just to please the boys,
They ended up just being a toy.
Played so hard burned her life away.
Lies were told no promises made. *(To Chorus)*

3. Young and fresh when she hit town;
Hot for kicks just to get around.
But now she lays in a filthy room;
She kills the pain with a flick and a spoon.
And in the streets the garbage lies
Protected by a million flies
You know the roaches so big, you know that they got bones.
Moved in and made a tenement home. *(To Chorus)*

2. I sit here on the stairs 'cause I'd rather be alone.
If I can't have you right now I'll wait, dear.
Sometimes I get so tense but I can't speed up the time.
But you know, love, there's one more thing to consider.

Said, woman, take it slow and things will be just fine.
You and I'll just use a little patience.
Said, sugar, take the time 'cause the lights are shining bright.
You and I've got what it takes to make it.
We won't fake it, ah, I'll never break it 'cause I can't take it. *(To Gtr. solo)*

2. Say, where ya goin'? What you gonna do?
I been lookin' everywhere and I, I been lookin' for you, because
You don't want my love, no no, you wanna sati-satisfaction,
oh yeah, oh yeah, oh yeah.
You don't need my love, you've got to find yourself another,
another piece, another piece of the action. *(To Chorus)*

3. Say, boy, where ya comin' from? Where'd you get that point of view?
When I was younger I knew a motherfucker like you, and she said,
"You don't need my love, you wanna sati-satisfaction," bitch.
You don't need my love, you've got to find yourself another,
another piece, another piece of the action. *(To Chorus)*

Additional Lyrics

2. Police and niggers, that's right, get out of my way.
Don't need to buy none of your gold chains today.
I don't need no bracelets clamped in front of my back.
Just need my ticket; till then, won't you cut me some slack? *(To Chorus)*

3. Immigrants and faggots, they make no sense to me.
They come to our country, and think they'll do as they please.
Like start a mini Iran, or spread some fucking disease.
They talk so many goddamn ways, its all Greek to me.

4. Well some say I'm lazy, and others say that's just me.
Some say I'm crazy, I guess I'll always be.
But its been such a long time since I knew right from wrong.
It's all the means to an end, I, I keep it movin' along. *(To Chorus)*

5. Radicals and racists, don't point your finger at me.
I'm a small town white boy, just tryin' to make ends meet.
Don't need your religion, don't watch that much T V.
Just makin' my livin', baby, well that's enough for me. *(To Chorus)*
